**HISTORY**
Beyond Measure Barbering Institute was formed August 2009 in Mebane, North Carolina. On December 1, 2009, the Articles of the limited liability corporation were filed with the State of North Carolina in Raleigh, NC. The Mebane, NC location was chosen after carefully considering several other locations in Orange County (Chapel Hill and Hillsborough) and plans were developed for the building’s renovation and the installation of new equipment. The Institution officially opened its doors on March 22, 2010. The Barbering Institute is located in the Center Street Plaza west of Hwy 70 in Mebane, NC. This area has a great business climate, which helps to attract clients for students’ practical training. The location is easily accessible to major highways in the area.

**FACILITY**
The instructional facilities at Beyond Measure Barbering Institute are state of the art. It is equipped to accommodate full and part time students. As a total barbering facility, the barbering institute floor plan is an open floor of 5000sq. ft, equipped with 10 barber chairs, 10 barber stations, 20 drawers, 10 cabinets and 5 sinks for clinical barber training. The practical training area is covered from the floor to the top of the countertops with 18x18 inch ceramic tiles. There is a lounge area for students, a classroom for theory and practical examination, 5 bathrooms, and offices for administration.

**SCHOOL PHILOSOPHY AND EDUCATIONAL OBJECTIVES**
Our programs are committed to cultivating complete barbers that think critically; perform in the professional barbering industry; and creatively enrich a wide spectrum of artistic and educational environments. We will strive to help students comprehend barbering and styling techniques in today’s society. We also seek to promote greater understanding of the history and traditions of the American styles and the rich diversity of cultures around the world. Beyond Measure Barbering Institute will enhance the mindset of individuals as they prepare to excel as leaders in the field of barbering through the innovative teaching methods, individual attention, and excellent facilities. Beyond Measure Barbering will develop students holistically and provide them with tools that will help them be successful as a barber and as human beings. In that endeavor, we stress principles of business management, personal management, ethics, and community responsibility. We will encourage students to learn individually and collaboratively, to be resources to their peers, to see each other as resources, and to be ever cognizant of the needs of the people that they serve in their communities. We will offer students the opportunity to enhance themselves professionally, financially, and spiritually and teach students the importance of strong service and work ethic."

PROGRESS TRAINING REPORTS
Students are graded monthly on permanent record forms. These forms are in student folders. At the end of each month every student will receive a monthly progress report. This report is used to monitor progress in all areas and to notify the student of his/her current rate of progress. If there are any problem areas, we will make every effort to assist his/her in improving their performance.

LEAVE OF ABSENCE *Throughout the section Leave of Absence will be referred to as LOA
An authorized leave of absence (LOA) is a temporary interruption in a student’s program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

In the event a student of Beyond Measure Barbering Institute finds it necessary to leave the institution for an extended period of time, the student should request an official Leave of Absence. In order for an LOA to qualify as an approved LOA from the institution:

1. All requests for LOA must be submitted in advance in writing, and must include the reason for the student’s request, and must include the student’s signature.
   a. The student must apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, is a student were injured in a car accident and needed a few weeks to recover before returning from the institution, the student would not have been able to request the LOA in advance.
   b. The institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances. The institution, in this case, will document the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.
2. The student must follow the institution’s policy in requesting an LOA. The student must submit written request to the institution for LOA, and must submit reason for request. This request must also be signed and dated. Request will be approved by the Director of Education.
3. There must be a reasonable expectation that the student will return from the LOA.
4. Approval of the student’s request for an LOA is in accordance with the institution’s policy.
5. The institution may not assess the student any additional institutional charges as a result of the LOA.
6. Scheduled LOA, together with any additional leaves of absence, must not exceed a total of 180 days in a 12-month period.
7. A student granted an LOA that meets this criteria is not considered to have withdrawn, and no refund calculation is required at that time.
8. The institution will extend the student’s maximum time frame and the contract enrollment period by the same number of days taken in the LOA. An addendum to the enrollment agreement must be signed and dated by all parties.
9. The withdrawal date if a refund must be calculated will be the student’s last day of attendance (if applicable).
10. For a student who is a student loan borrower and does not return from an LOA their loan grace period may be reduced by the days taken in an LOA. See your financial aid administrator for more details.
STUDENT DISMISSAL
Students will be dismissed from the school for non-payment of tuition, insufficient progress, loud and rude behavior to patrons, fellow students or school staff. Excessive absences and lateness, and failure to meet the rules and regulations of conduct as published herewith may also cause dismissal.

Applicants for transfer into the Beyond Measure Barbering Institute are considered on an individual basis. The determination of the hours accepted for transfer will be based on an examination of the individual’s technical skills and knowledge of the program and subject matter.

The Beyond Measure Barbering Institute does not recruit students that are currently attending or admitted to another school offering a similar program study.

Re-entry within 180 days
A student who re-enters the same program in the Institute within 180 days is treated as if he/she did not cease attendance for purposes of determining the student’s aid awards for the period. If the student re-enters the same program, the student is considered to be in the same payment period he/she was in at the time of the withdrawal. The student retains his/her original eligibility for that payment period and is treated as though he/she did not cease attendance. The student is immediately eligible to receive all Title IV funds that were returned when the student ceased attendance.

Transfer From another School/Re-entry after 180 days
If a student withdraws from a program and re-enters the same program more than 180 days after a withdrawal, the Institute will treat the hours remaining in the program as if they are the student’s entire program and the student will be treated as a transfer student. Transfer hours from another institution are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. Students are charged the hourly rate of tuition for any remaining hours they complete at Beyond Measure Institute. Students that wish to re-enter must purchase book(s), uniform(s) and equipment that are missing from their student kit or not in fair working condition.
PROBATIONARY POLICY

Students must maintain during the probationary period at least a 90% cumulative attendance and academic average. If a student is found not to be in compliance during this probationary period they may be terminated. Once the probationary period has been exhausted students are expected to maintain at least a 70% cumulative academic and 80% attendance average which is in accordance to the institution’s policy. However, students are encouraged to attend at a greater rate of attendance in order to complete by their contracted end date and not incur overtime charges. All students must have current uniform(s), book(s), and equipment (barber kit) to maintain compliance after probation ends.

ATTENDANCE POLICY
Beyond Measure Barbering Institute encourages each student to maintain an attendance rate of at least 80% out of 100%. Each student will be monitored on a daily basis. A Biometric time clock is the institution’s official method of verification of time accumulated in the Barbering Program at the Barbering Institute. Attendance is critical, as being punctual will determine the success of a barber’s profession. The Institute is a clock hour institution, therefore clocking in and out is extremely important. It is solely the student’s responsibility to clock in upon arrival, out for lunch, and out at the end of the day. Students must clock out each time they leave the building, and clock back in when they return.

Tardiness: A student is considered tardy if he/she enters school after the 15 min. grace period prior to scheduled session time. Students entering class after a session is more than half over, will not receive subject credit for that session. Students that miss days without providing the proper documentation for the days missed will be subject to our (SAP) Satisfactory Academic Policy stated below.

EXCUSE ABSENCES: Absences can be excused when a student misses school for religious, medical or emergency reasons. The reasons may include but are not limited to: death of family member, jury duty, illnesses, leave of absences, etc. Excused absences will not count against the quantitative factors of their satisfactory attendance progress. Documentation must be provided to validate the absence.

MAKE-UP POLICY
Students will be required to make up all assignments, exams or other work missed as the result of any excused or unexcused absence. The student must make arrangements with the instructor to ensure that all work is made-up. The instructor may assign additional outside make-up work if deemed appropriate. Arrangements to take a missed exam must be made with the instructor. All arrangements are subject to approval by the instructor.

SATISFACTORY ACADEMIC PROGRESS
The Satisfactory Academic Progress Policy (SAP) is consistently applied to all (part-time/full-time) students enrolled at the School whether participating in Title IV programs or not. It is printed in the catalog, which is available on the school’s website, to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and U.S Department of Education.

EVALUATION PERIODS
Students are evaluated for Satisfactory Progress as follows: Barbering: 450, 900, 1214 (scheduled) hours All evaluations shall be completed within seven (7) business days following the established evaluation points. Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress.

*Transfer Students – Students with transfer hours from other institutions are accepted and added toward the student’s educational program while being counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on scheduled contracted hours at the institution.

ATTENDANCE PROGRESS EVALUATIONS
Students are required to attend a minimum of 80% of the scheduled hours in order to be considered to have met the quantitative factor of satisfactory attendance progress. Evaluations are conducted at the end of each
ATTENDANCE PROGRESS EVALUATIONS  (cont.)
evaluation period to determine if the student has met the minimum requirements. The attendance percentage is
determined by dividing the total hours completed by the total number of hours scheduled. At the end of each
evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance
since the beginning of the course which indicates that, given the same attendance rate, the student will graduate
within the maximum time frame allowed.

MAXIMUM TIME FRAME
The maximum time frame a student has to complete the Barbering Program is 125% of the program length.
*The institution will extend the student’s maximum time frame and the contract enrollment period by the same number of
days taken in the LOA. Students that exceed the maximum time frame may continue as a student on a cash pay basis.

BARBERING COURSE – 1528 HRS (1910 HRS MAXIMUM TIME ALLOWED)

- Barbering (Full time, 32 hrs/wk) ......................................................60 Weeks
- Barbering (3/4 time, 27hrs/wk) ......................................................70 Weeks
- Barbering (Part time, 21hrs/wk) ......................................................91 Weeks
- Barbering (Part time, 16hrs/wk) ......................................................119 Weeks

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be
determined based on 80% of the scheduled contracted hours. Students who have not completed the course within the
maximum time frame may continue as a student at the Institute on a cash pay basis.

ACADEMIC PROGRESS EVALUATIONS
Students must maintain a grade point average (GPA) of 70% at the end of each evaluation period.
The qualitative element used to determine academic progress is a reasonable system of grades as determined by
assigned academic learning. Students are assigned academic learning and a minimum number of practical
experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as
completed and counted toward course completion only when rated as satisfactory or better (the computer system
will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory
requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills
evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures
and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade
average of 70% or better and pass a FINAL written and practical exam prior to graduation. Students must make up
failed or missed tests and incomplete assignments. Beyond Measure Barbering Institutes’ grading is completed and
based on overall performance in the Barbering Program. Grading is completed according to the following scales:

❖ Theory and Practical Grading Scale
❖ 90-100 A Excellent
❖ 80-89 B Good
❖ 70-79 C Satisfactory
❖ Below 70 D Unsatisfactory
❖ Incomplete 0 Unsatisfactory
*Grading for practical work may include Pass/Fail or Yes/No

DETERMINATION OF PROGRESS STATUS
Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be
making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their
Satisfactory Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory
Progress may have their Title IV* Funding interrupted, unless the student is on warning or as prevailed upon appeal resulting in
a status of probation. All students will be notified of any evaluation that impacts the student’s eligibility for financial aid.
WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may appeal the determination to be placed on probation. 

(Students in warning status are still eligible for Title IV funds)

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period may appeal the determination to be placed on probation. If appeal is successful, the student has prevailed upon appeal, and is placed on probation. The student is also considered to be making satisfactory academic progress during the probationary period. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. Students will not be eligible for Title IV funds if they do not meet Satisfactory Academic Progress after probationary period. Student would then be terminated.

RE-ESTABLISHMENT OF TITLE IV ELIGIBILITY

Students may re-establish Title IV aid, as applicable, by meeting minimum attendance and academic requirements for satisfactory academic progress by the end of the next evaluation period. The student will return in the same status as they were in prior to the loss of eligibility.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student’s cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Course incompletes are not applicable to this institution; they have no effect upon the institution’s satisfactory academic progress standards.

APPEAL PROCEDURE

If a student is determined not to be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be considered. This information should include what has changed about the student’s situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.
COURSE INCOMPLETES, NONCREDIT, AND REMEDIAL COURSES
Course incompletes, noncredit, and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

(THERE IS A NON-REFUNDABLE APPLICATION FEE OF $100).
FEDERAL REFUND POLICY-RETURN TO TITLE IV (R2T4) POLICY

REFUND POLICY FOR STUDENTS RECEIVING FEDERAL TITLE IV AID (Financial Aid)

Title IV funds are awarded to students under the assumption that the student will attend school for the entire program for which the aid is awarded. When a student fails to complete the period of enrollment, the student may no longer be eligible for the full amount of Title IV funds he/she was scheduled to receive.

When does Beyond Measure Barbering Institute refund tuition and fees?
If you withdraw from Beyond Measure Barbering Institute prior to the end of the enrollment period, then a refund for tuition and fees will be automatically processed for the student according to the amount of time he/she was scheduled to attend.

How much will I have to repay when I withdraw from school?
If you withdraw from school prior to completing 60% of scheduled clock hours, you may be required to repay a portion of the federal financial aid that you received for that period of attendance. The amount of repayment depends upon the number of days you attended school, the type of financial aid you received, and whether or not Beyond Measure Barbering Institute refunds your tuition and fees.

Federal regulations require Beyond Measure Barbering Institution to determine the amount of aid “earned” by each student receiving Title IV aid and withdrawing from all of his/her classes prior to the end of the period. The portion of the course that you do not attend represents the portion of aid that is determined to be unearned. All students who withdraw prior to completing over 60% of a term may have to repay a portion of their federal financial aid.

When will I have earned 100% of my federal financial aid?
Students completing 60% of the term are considered to have “earned” 100% of the Title IV aid funds he or she was scheduled to receive during the term. Title IV Federal Aid covered by this policy includes the Federal Direct Stafford Loan, Federal Perkins Loan, Federal Direct PLUS Loan, Federal Pell Grant, and Federal Supplemental Educational Opportunity Grant.

Calculations are based on the student’s official withdrawal date or for unofficial withdrawals will be determined at the last date of attendance.

*Unofficial withdrawal dates are determined by the staff, while identifying the last date of attendance.*

The withdrawal date must be determined within 14 days of the student last day of attendance. The institution must return the amount of Title IV funds for which it is responsible no later than 45 days after the date of determination of the date of the student’s withdrawal. Beyond Measure Barbering Institute offers a barbering program consisting of clock hours. As a clock hour program, the following formula is used to compute the return:

Aid Disbursed – Aid Earned = Aid to be Returned

Order of Funds to Return:
- Federal Direct Unsubsidized Loans
- Federal Direct Subsidized Loans
- Federal PLUS Loans
- Federal Pell Grant

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Remember that when Title IV funds are returned, the student may owe a balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution will owe the student a post-withdrawal disbursement, to be paid within 120 days of the student’s withdrawal.

PROCEDURES FOR REPORTING VIOLATIONS
When a violation of the student standards of conduct is suspected, the observer should immediately report the individual and the circumstances to the nearest faculty member. The faculty member should notify the Director of Student Services for investigation and follow-up action.

DISCIPLINARY PROCEEDINGS AND APPEALS
The administration of student discipline is flexible and essentially consistent with the philosophy and educational objectives of Beyond Measure Barbering Institution. The Director of Student Services shall have primary responsibility for the administration of student discipline and may impose varying degrees of disciplinary action. A student who is alleged to have violated one or more of the standards of conduct may admit the violation and accept disciplinary action as prescribed by the Director of Student Services or may request a hearing before the school management team. The team shall conduct closed proceedings that guarantee procedural fairness.

When a notice of appeal by a student is received by the Director of Student Services, a written copy of the allegations shall be provided to the student. The team may recommend that the student be exonerated or disciplined. If discipline is recommended, the team may advocate an official written reprimand, probation, or one of the following penalties:

A. Suspension from the Institution for a specified time, not to exceed ninety (90) days, or until a condition is met.
B. Dismissal from the Institution for an unspecified period of time.
C. Permanent expulsion from the Institution.

The Student Services team shall present its findings and recommendations to the President of the Institution within five working days of conclusion of the hearing. The President, after a full and complete review, will notify the student of the results of the hearing. The President’s decision shall be final.

INTERIM SUSPENSION
As a general rule, the status of a student accused of violating the standards of conduct will not be changed until appeals have been heard. The student may be permitted, at the discretion of the Director of Student Services, to continue classes and to participate in institution activities pending a review of the disciplinary committee’s action by the President of the Institution. Prompt and decisive disciplinary action will be taken in extreme cases before there is an opportunity to conduct a hearing, as in cases in which the student’s continued presence on campus constitutes an immediate threat to members of the Institution community, or to the property, or the orderly function of the Institution. When cases arise requiring disciplinary action, the Director of Student Services will provide the appropriate action to be taken. In all cases, the rights of the students and the Institution should be protected.

GRADE APPEAL PROCESS
It is recognized that there may be individual cases in which a student should be allowed to make a formal appeal related to grades assigned for barbering courses taken at the Institution. The following procedure will enable a student to exercise this right:

1. Any appeal of grades should be initiated prior to the next quarter
2. The student should confer with the instructor to determine that there has been no mistake and to present his or her case.
3. If the case is not resolved by the instructor, the student may make an appointment with the department head who will hear his or her appeal.
4. If the case cannot be resolved at the department level, the student may make an appointment with the director within whose area the protested grade was awarded.
5. Any case not resolved by the above steps may be appealed to the Director of Student Services who may convene the Student Services team. Appeals to the team must be in writing.
6. Recommendations of this team regarding the appeal will be made to the President of the Institution within five working days. The decision of the President will be final.
STUDENT GRIEVANCE PROCEDURE
The purpose of the student grievance procedure is to provide a system to channel student concerns about faculty and staff. The following procedure will enable a student to exercise this right:

1. The student should first present the grievance to the instructor or staff member involved. An attempt will be made to resolve the matter informally at this level. Generally the conference must take place within ten (10) working days of the incident which generated the complaint.
2. If the grievance is not resolved at the informal conference, the student may present the grievance to the Director of Student Services for academic concerns.
3. If the course or class involves clinical participation, the student will not be allowed to return to any clinical area during the grievance process.
4. If satisfactory resolution is not achieved after meeting with the Director of Student Services, concerns should be forwarded to the President of the Institution and the Student Services Team.
5. Any cases not resolved by the above steps may be appealed in writing to the appropriate appeals committee:
   A. Academic concerns — Director of Student Services
   B. Nonacademic concerns — Student Services Team
6. Recommendations of these teams regarding an appeal will be made to the President of the Institution within five days. The decision of the President will be final.

STUDENTS’ DISCLOSURE OF CRIMINAL RECORDS
Students entering or who wish to enter the barbering program are advised that prior criminal records may result in the inability to enroll/complete selected programs. The NC Board of Barber Examiners requires an FBI (Federal Bureau of Investigations) certified background check (All applicants) before students are allowed to enroll in the barbering program. If prior criminal records exist, students may not be allowed to participate in enrollment. Once institution officials are aware of criminal records, the information must be shared with the NC Board of Barber Examiners. If the agency will not accept the student because of the records, the student will be unable to fulfill the program requirements. Students are urged to disclose and discuss prior criminal records with program heads. State certification of licensing examination boards may not allow felons to sit for state examinations. A student convicted of a felony may not be eligible for enrollment until he/she has sat before the board of barber examiners and received approval.

NORTH CAROLINA BOARD OF BARBER EXAMINERS
(STUDENT GRIEVANCE PROCEDURE)
In accordance with the institution’s mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Beyond Measure Barbering Institute has an internal Student Grievance Procedure. In the event that the student’s grievance is not resolved by the institution to the student’s satisfaction, the student has the right to file a grievance to the North Carolina Board of Barber Examiner’s office. The North Carolina Board of Barber Examiners is the agency that licenses students that graduate from the institution.
